
BELGIAN SOCIETY FOR NEUROREHABILITATION (BSNR) ANNUAL REPORT 2025

MISSION OF BSNR

The BSNR is a society promoting best clinical practice and research on neurorehabilitation of people with acquired neurological disorders.

In doing so, BSNR is promoting multidisciplinary, bridging research and practice, facilitating networking/exchange, stimulating young professionals and acting across language areas in Belgium.

BSNR BOARD COMPOSITION

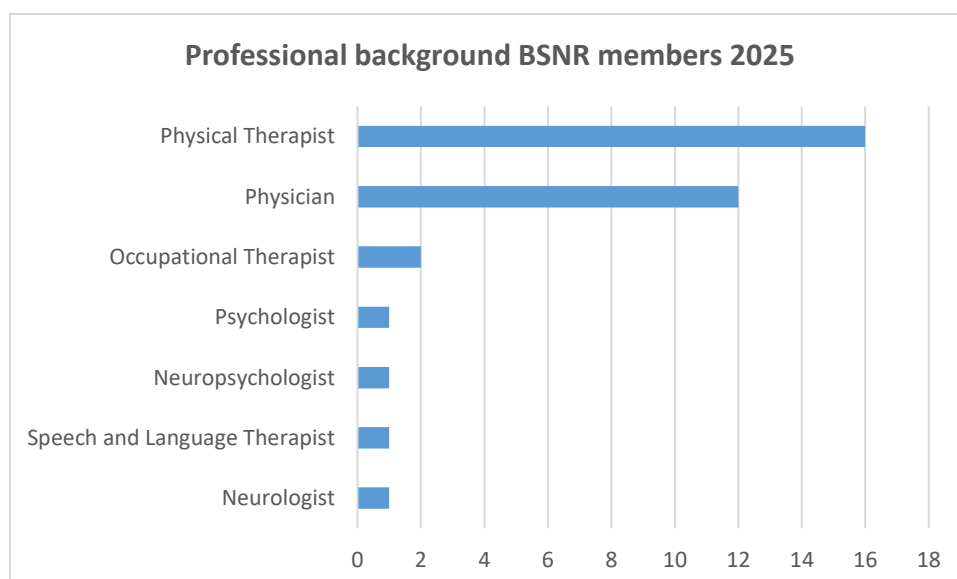

The BSNR board composition has not been changed in 2025.

- President: Daphne Kos
- Vice President: Nicolas Lejeune
- Treasurer: Eva Swinnen
- Secretary: Clara Selves
- Webmaster: Stephen Bornheim
- Board members: Miet De Letter, Nathalie Vaes, Katie Bouche

All administration related to the BSNR has been organized and updated.

MEMBERSHIP

In 2025, BSNR has 34 individual members, with a diverse professional background (see below).

STRATEGY 2023-2026

In 2025, the BSNR board has met face-to-face twice and three times online.

BSNR has continued working on the actions of the strategic plan 2023-2025:

Mission - Why?	Vision - How?	Strategy - What?	Actions 2023-2025
The BSNR is a society promoting best clinical practice and research on neurorehabilitation of people with acquired neurological disorders.
